PRACTICAL PROBLEMS **DISCUSSED AT PARLEYS**

at Liberty Hut Tonight and Tomorrow Night.

Preceding the mass meetings scheduled for tomorrow and Thursday even-ings at Liberty Hut, at which Commissioner Roper, Attorney General Palmer Senator Capper, Clinton N. Howard and others will speak, there were conferences on practical problems all day today, and they will continue tomor-row, in the Metropolitan Presbyterian Church, beginning at 9 o'clock. The meeting tonight will begin at 7:30 o'clock, with a cornet and vocal

Scotch solos by David Reid, followed by a discussion on "Labor" by Dr. Wil-bur F. Crafts: "Americanization Plan for the Mexican Border," by Col. Maus, and speeches by E. D. Pickett and H. N. Pringle. Mr. Pringle will give some stereopticon views on "Pending Bills to Stop All Forms of Interstate Cambling" Tommorrow the conferences will be

held at 9 and 4:30 o'clock. Dr. Howard Kelly of Baltimore will speak on the "District of Columbia Sunday Laws," at 11 o'clock. The whole trend of the meetings will be to show the impor-tance of co-operation with the federal and state officials in the enforceme of all laws, against anarchy, bootleg-ging and profiteering.

Mr. Allen, who lives at Somerset, Md., has been connected with the Treasury Department since about 1900, when he entered the division of general accounts as a clerk. Mr. Allen rendered valuable service during the war, being sent to France to put into effect a system of accounts for Treasury Department balances used by the War Department.

BILL WOULD BAR BERGER.

House Measure Would Declare Socialist Ineligible for Congress.

Victor L. Berger, Milwaukee socialthird time, would be declared ineligible for membership in either House or Senate under a bill introduced yesterday by Representative Luhring, reterday by Representative Luhring, relation indiana. Berger was retained in the lattended a banquet cavalry school. He attended a banquet of reception last night at Camp Fundary school. Berger and the socialist executive committee of the fifth Wisconsin di trict have announced that Berger would continue to run as socialist candidate until the House seated him

Senate Subcommittee Is Told That

Japanese Army Cadets Were

on Visiting Cruiser.

SAN ANTONIA. Tex. January 13 (by the Associated Press).—The Senate subcommittee investigating the Mexican situation today had a report that a large shipment of ammunition for the Carranza government arrived at Manzanillo, Mexico, December 24, last, simultaneously with the Japanese cruiser Yakuma. The report was known at Army headquarters here and was forwarded to the War Department at Washington.

The Yakuma apparently was escorting the ship bearing arms and ammunition, which had been purchased in Japan through Col. Emilio Circloss of Mobile and the province of the consideration may we expect from a man of this character," demanded Mr. Finch. To him citizens are merely a mob, in his own mind he is omniscient.

ask him some questions.

Rev. C. M. Tanner, pastor of the Metropolitan A. M. E. Church, appeared in opposition to the appoint-ment also.

Conrad H. Syme, until recently corporation counsel for the District, made a brief statement to the committee in which he declared that he had gone over the testimony in the Bruce case and had found nothing tangible in the evidence. He said he was willing to take the blame for any mistake in the

ecision in this case. Several of the witnesses interrupted to say that they had reference to the cond investigation, not the first, in which Mr. Syme had been consulted. Mr. Syme replied that he understood that the second investigation had gone over the same ground. "I have known Dr. Van Schaick for seven or eight years," he said, "and I don't believe there is a man of wider vision or purer motives who could be found for District Commissioner.'

DR. VAN SCHAICK RELATES HIS WAR EXPERIENCES

Dr. John S. Van Schaick, president of the board of education, last night re-counted many of his war-time experiences in Belgium, where he was ked Cross commissioner, to members of the meeting in the Lutheran Church of Our Redeemer. "There is no doubt that war between operative.

DIES AT ST. AUGUSTINE PUSHES ROOSEVELT MEMORIAL PLANS

Frank J. Hogan Will Go to New York to Confer With W. B. Thompson.

Frank J. Hogan, District commitceman of the Roosevelt Memorial Association, will leave Washington within the next week for New York city for a conference with William Boyce Thompson, president of the as-sociation, to discuss plans for the erection of the Roosevelt memorial in this city.

At the present time between \$3.000,-000 and \$4.000,000 are available for the erection of the memorial. Oyster Bay will be the site of a local me-morial for the late President, but in Washington a national memorial

will be erected, probably on the lines of a library and memorial building, housing the documents, speeches.

works and history of Theodore Roose

Will Consider Plans.

A commission of nationally known artists and architects are to consider plans regarding the character and form of the memorial. mission is regarded as being on a par with the Fine Arts Commission. The eventual cost of the monuthe Seaboard Air Line, and of late passenger representative of the United passenger representative of the United Throughout the country a campaign was held two months ago for the raising of the fund. A national ex-ecutive committee on the memorial consisting of forty-eight committee men, one from each state, will handle the details of construction and selection.

Objects of Memorial. It has been decided that to typify the late President the memorial must be permanent, since Roosevelt is regarded as a history maker for the United States; it must be situated at the capital, since it was the heart of the activities of Col. Roosevelt. and it must be useful and ornamental since, as well as adding to art and science, Col. Roosevelt did nothing It is expected that definite plans for the erection of the building will be made public within a month. The

meeting of the national executive committee of the Roosevelt Memorial Association is subject to call, which may come any time within the next several weeks.

MAY FINISH TEACHERS' PAY RAISE BILLS TODAY

Committee Expects to Submit Drafts for Emergency Increases to Board in Day or Two.

Tentative drafts of the bills providing emergency salary increase for public school teachers probably will be completed today by a special committee composed of Stephen E. Kramer, R. O. Wilmarth and Daniel J. Donovan, and submitted to the board of advantion at a special meeting. In opening the case for the miners of education at a special meeting Mr. Lewis presented the demands of which will be called within a day or "We are working on the wording

A 60 per cent increase in wages over the rate existing October 31 last. A six-hour day and five working days per week.

Time-and-a-half for overtime and double time for Sundays and holidays for all day laborers.

Pay days on a weekly basis "It is my understanding that as soon as we are ready to submit our drafts the board will hold a special session. We are not considering salary schedule figures in our work. The schedule simply will be attached to what we have done by the board."

After the meeting of a special committee of the board of education with Commissioner Brownlow last Friday it was predicted by Dr. John Van Schaick, president of the board, and by Mr. Brownlow that the emergency measure would be laid before the Senate and House legislative committees within ten days. mittees within ten days.
